My dear Fisher

It is really Blacker you should
see re the pamphlet - he has
all the details: but I can get
him round later any day if
you'll give me a day's notice
You will take it he is in town for
the evening - (see on Oct 1st could
you come round here say 2.30 or
3.45, & I'd give you down to
20 Grosvenor (over later, for
5.15 - so I believe you
have an office meeting

at 4 or 3:30 - So could you
come down after lunch, &
then we c^d deal with Blake
& the pamphlet at the
Troyer's too.

Rev. Allanson is
sending you a statement
of the problem on which
yr advice is needed

Very yours
J. S. [unclear]
