"KAN-BRA" OR "CAN-  
BERRA"?

REV. 11.5.27

MR. BRUCE'S PRONUNCIATION

Canberra, May 10.

As the Duke of York in his speech in the Senate yesterday refrained from using the word "Canberra" it would appear as though the Prime Minister's pronunciation of the name of the capital will have to be accepted.

In his speeches yesterday Mr. Bruce gave the word only two syllables, with the accent on the last. He pronounced it "kan-bra."
