

ADDED ARTISTRY given to the new chemistry laboratory at the University. The angle from which this photo was taken, on the north bank of the River Torrens, adds a picturesque touch to the surroundings of the building, the banks of the river being masked by trees.

Adelaide photos by Krischock.

NEW UNIVERSITY LABORATORY—The Johnson Chemical Laboratory was opened yesterday by the Warden of the University Senate (Mr. Justice Angas Parsons), who is on the left and slightly in front of the other members of the Council and Senate.
