ABORIGINAL SLUMBER
Song

Once when the Moon was shining

Our bush and billa song

Mother nursed her babe

And sang her
Song, her slum ber song.

oh Bireh lea, my Bireh lee

Bah-lee now shines on high.......

So in your Boonga safely rest till Harri-meen...

draws night while Ka-ka-war-ri

shakes the trees... And Nil-loo flows a long...

Sleep... my Bir-ya-lee on Mo-her's Knee
while I sing your slumber song.
