RESIDENT MISSIONARY:-
REV. PERCY HANNAH.

Dear Mr Greenble

Thank you so much for the papers
received safely, and also for the note etc showing the
best way to read them. You may be perfectly
certain I shall give them full attention in the reading.

When you can, I'll be so glad to have
Loomman's Paper - the printed one. I sent radio over & told
him to keep them ^{all}. But I'm afraid I do want to see
one. I'll do my best to read it & keep my breathing
as usual. It makes one so hot. Again Many thanks
Sincerely yrs

His Honour
The Resident Commissioner
Ocean Island.

Percy Hannah

P.S. I refer of course to the
Decennial Review.
