INTEGRATION OVER PARAMETRIC SURFACES.

by

J. H. Michael.

THE UNIVERSITY OF ADELAIDE,
1959.
CONTENTS.

INTRODUCTION. 1

PART I. DEGREE AND ORDER. 1
1. Continuous mappings of subsets of $E^n$. 1
2. Topological manifolds. 6
3. Continuous mappings of subsets of an oriented manifold. 9
4. Parametric surfaces 21

PART II. SURFACE INTEGRALS. 31
1. Intervals and shells in $E^n$. 31
2. $n$-Surfaces in $E^n$. 33
3. $n$-Surfaces in $E^k$ (k $\geq n$). 54
4. $n$-Surfaces in $E^{n+1}$. An approximation theorem. 69

PART III. CAUCHY'S THEOREM AND THE GAUSS-GREEN THEOREM. 83
