Progress — But Whither?

In a recent edition we had good cause to criticize student laziness. Now a swift wind of reformation and an impelling knowledge that there must be two sides to every situation have prompted us to look for signs of activity. The meaningless partaking conclusion that we have drawn is that we students have lopped off neither more nor less.

Now, team feuds did not meet with much success in the sporting world last year, but don't let us loose sight of the idea that even average players to fill the right, the left, the fullback, and scrum positions for those who could handle the ball are needed. The cheerleader has been added to the Athletic Association, which helps put an end to the idea of bringing in players on one condition or another. The cheer leading is that it is crucial to the success of practically everything.

However, the majority of the cheerleaders have been constantly practicing in order to make the crowd during the football games, and the members evidently had much a chance to be seen at the games we tried to make every crowd. Everyone was tired, but that was the condition of all the students.

The Academic League, held at McCarver, met about nothing of a "crew" concern. Even though it was only at the Tiwett, it ran for four sessions, and the Academic League was praised by practically everyone. However, we must not be discouraged, for there may be one more session next year. Unfortunately, the Academic League has not been completed, but we regret that this new branch of work will probably have them little time for any other activities.

The University Press held on May 24 at the University Press in Park Street, Berkeley, to put the ideas into practical form. It is noticeable that the majority of the members have improved, and the Academic League has improved greatly. We regret that this new branch of work will probably have them little time for any other activities.

We regret that this new branch of work will probably have them little time for any other activities.

MUCH NEEDED BUILDING EXTENSION.

Next Monday the Sporac Association will initiate a sub-committee to consider the question of extending the Pavilion and dressing rooms at the University Oval. It is suggested that the existing lack of showers be remedied, and the building be extended southwards to include new showers and further dressing rooms. Some letter would be useful writing to teams to change at the Pavilion instead of the existing ones, perhaps.

On the Sporac Association has founded a "crew" concern. Even though it was only at the Tiwett, it ran for four sessions, and the Academic League was praised by practically everyone. However, we must not be discouraged, for there may be one more session next year. Unfortunately, the Academic League has not been completed, but we regret that this new branch of work will probably have them little time for any other activities.

Coming Events

CAMPUS EVENTS.

Thursday, 30th April

Meeting of N.I.A.C. Committee in the Committee Room at 5.

Last day of entry for First Aid Classes.

Friday, 1st May

Societies

Scotsman Association.

On Monday, April 27th, two papers were read to the Association by stu- dent members, this being the first meeting of the year. The first paper was presented by Mr. C. G. H. Mounib, of Alexandria, under the title "Nile Sinking," and was welcomed by a well-attended audience. In his address on the subject of the Nile, Mr. Mounib emphasized the importance of preventive work, and pointed out the necessity of national unity in the face of the great flood problems. The second paper, presented by an unknown student, was on "The Nile Floods.

The meeting was well attended, and the papers were received with great interest. The next meeting will be held on Tuesday, May 8th, at 8 p.m.

ARTS ASSOCIATION

The second meeting for the year was held on Friday evening, April 30th, at Bridge Inn in the city. The subject of the evening was "Art: A Study in Progress." The meeting was well attended, and the discussion was carried on with great interest. The next meeting will be held on Thursday, May 6th, at 8 p.m.

WOMEN'S UNION

At the meeting of the Women's Union on Wednesday evening, the following officers were elected for the coming year:

ESKENI:
Chairman: Miss Eliza Luikin
Vice-Chairman: Mr. John Smith
Secretary: Miss Mary Jones
Treasurer: Mr. John Brown

The meeting was well attended, and the discussions were carried on with great interest.

POLITICAL SCIENCE CLUB

All students of Political Science and government interested in a subject of special political importance should make a point of attending the Political Science Club meetings. The club is held by the S.A. Committee of the American University of Beirut, and is held on Thursday evenings at 8 p.m. The subject for the upcoming meeting is "The Role of Women in Politics." The discussion will be followed by general debate. The meeting will be held on Thursday, May 13th.

Some of the topics discussed at previous meetings have included "The Role of Women in Politics," "The Impact of Technology on Society," and "The Future of International Relations." The club is open to all students interested in political science, and meetings are held on a regular basis. For more information, please contact Mr. John Smith, the club's chairman.

S.A. HOMES & GARDENS

The TAYLER of the Southern S.A. Home and Garden Show will be held on Saturday, May 15th.

Newspaper. Annual Subscription: $12.00 per Year, Postage: $5.00

Please contact your local newspaper for more information.

COLLEGES NOTES

S. Andrew's—Last Saturday week members of the college were invited to attend the evening with the Master, and Mrs. Barlow. Lucerne Bridge was played, and the following were played: "The Pianola Tune" with 500, "White" with 100, "The Old Hills" with 50, and "The Dance of Life" with 100.

Great interest is being taken in the construction of the American Institute of Political Science to be held in Vasa for the coming year. It is nearly full through the efforts that we have been persuading to attend. Mr. S. has taken up the study of music and has been making music with great success. He is now at last forming a collection of his own and a collection of his own. We have been assured that Mr. S. will be able to attend the next meeting of the society, which will be held on Tuesday, May 5th.

Beautiful Adelaide.

There has been a beautiful Adelaide this week with the following events: "The City of Adelaide," "The University," and "The University of South Australia." The meetings were all well attended, and the discussions were carried on with great interest.

First Aid Class.

Students who wish to attend the class in First Aid during this year should apply to the subject at the University College later than April 30th.

All applications for further classes must be made by May 15th.

"Varisty" Benefits.

Under the rule of Miss Margaret, the University of South Australia will not allow any students from the varsity teams to go to Miss Murray's brother, the chief Justice, and Chancellor of the University (The Union Murdock) during his life, and, except to that interest, the regulations are left to the University of Adelaide.

New Lawyers Admitted to Bar.

On Monday, April 26th, six of our new graduates were admitted to the bar, amidst scenes of great jubilation and celebration. The propitious words of Mr. Justice Powney were put into effect. His Honor said: "In the course of your adventures you may feel sometimes as if you were going to be driven. But you will not. You will come up phlegmatic to the surface." These sentiments were echoed by Miss Mary Palmer, Miss Elizabeth Napier, Miss Dorothy Saunders, Miss Dorothy Saunders, and Miss Dorothy Saunders.
Sports Notes

FOOTBALL

On Saturday, the Cleveland athletic men will add up the battle against Teutonn College in the varsity oval. About thirty varsity men were given a run in this match at different stages, and judging by the number of capable new men, this season will be a successful one for the Cleveland team. There were no disturbances in themselves in this match.-Pitts., Judson and Appel, from rock to the top, having three goals. Final score were—Varsity, 11 goals; Beginners, 9 goals & 6 blanks.

On Saturday, 25th April, a practice match was played between West Ada- "talion United at the Enfield Oval. This game gave the teams a thorough try-out and was carried through with the usual vigour and spirit. Many of our amateur players have not yet run into form, probably due to a lack of sufficient hard practice. The match was a particularly hard fought one, and on the half-time the teams were evenly matched. Subsequently, however, the home team, combining quickness and speed with ball-handling ability, were able to raze the wedge and gained a decided superiority in practically all departments of the game, and finished well ahead of us. Many of our own forwards were clearly out of form, having not played much in the way of practice, and our backs were not quite up to our normal standards. The next series were played in the same way, with Varsity 10 goals 6 blanks. The best players for Varsity were actually left out of the match, as they included B. C. and Popo.

A practice match was also played by the 1st team on Sunday, 6th April, against Y.M.C.A. Varsity again played well and were won by 7 goals, 4 goals.

AUG.

Last Saturday the club paid a visit to Victor Hartman, where a delightful meal was shot at the Victoria Dam. The distance was about 20 miles, and the journey was made up in less than 3 hours. At the Victoria Dam, the water was at its best, and there was a great deal of scenery. The Victoria Dam is one of the best places for fishing in the area, and is usually open during the spring and summer months. At least a dozen shade trees line the dam, and the water is clear and cool. The dam is surrounded by a fence, and there is a sign on the fence that says, "No swimming." The area is enjoyed by many people, and is a popular spot for picnics and fishing. The water is usually clear and cool, and there is a lot of fish in the area. It is a popular spot for anglers and those who enjoy the outdoors.

INTERVERSE TENNIS AND UGLY MEN

invitations have been sent to all the Australian University teams to come to Adelaide to play for the Australian University tennis cup. The tournament will be held on Wednesday, 5th May, at the Intercontinental Hotel. There will be a large entry from various universities, and the event will be a good test of the players' ability. The Intercontinental Hotel is a fine building, and the atmosphere will be a pleasant one. The tournament will be held on Wednesday, 5th May, at the Intercontinental Hotel. The atmosphere will be pleasant, and the event will be a good test of the players' ability.

GOLDEN GLORY CHOCOLATES,
