Vote This Week

When the motion ratifying that the National Union disaffiliation from the International Union was put to the vote and lost at last Friday’s (18th) meeting, University rightists, after unsuccessfully challenging the legality of a referendum,

HOW TO VOTE

The question put in the referendum was to vote on whether to ratify the N.U.S. decision to disaffiliate from I.U.S. before the referendum. The motion, if adopted, would be submitted to the International Union of Students for approval. This motion is in order.

REVIVAL MEETING? No, just a candid shot by photographer Keith Stevens at the Scout Hall, where the illustrated song was taken place. John West, S.C.M. President, leads the chorus. Unidentified S.R.C. members may be seen in the audience.
NEW HOSTEL FOR SYDNEY STUDENTS

Concerned at the lack of accommodation for interstate and country students, the Australian Hostels Association in conjunction with the Prime Minister of the Government of India, Mr. Jawaharlal Nehru, has converted its New South Wales branch into a hostel for C.A.T.R. students. The home accommodates 95, but is now being enlarged to take 120 more. Students are admitted to the hostel on the recommendation of the Registrar of the University, and an annual lodging fee. They are provided with recreation and study facilities.

Russia's Last Weapon

Seen by him as Russia's last weapon of defence, Mr. Burchett described her use of vet power in the Soviet Union as understandable, if a necessary evil.

This was, perhaps, the most noticeable flaw in a well-balanced and impressive but somewhat padlocked speech given by Mr. Burchett. Despite the fact that he is a non-Marxist, he found it confusing and worrying to note that the speech contained the sort of comment that he would expect to hear from another member of the British Labour Party. It was a pity that it was not more clearly marked as such, for the speech was very good and the content of it was not quite as bad as it appeared.

DENTAL CHA CHA

An interesting theatre at the Dental Hospital was filled to capacity for the largest gathering of dental students in Australia on the A.G.M. on Thursday, March 1. The meeting was called by Messrs. Aspinall and Primmer in the name of the Dental Students' Union.

Mr. Aspinall, the meeting of the Dental Students' Union in Australia on the A.G.M. on Thursday, March 1. The meeting was called by Messrs. Aspinall and Primmer in the name of the Dental Students' Union.

Mr. Aspinall, the President of the Dental Students' Union, gave a summary of the activities of the student body during the year. He said that the Union had been active in many ways, including organizing a lecture series, a film show, a debate on the ethics of dental practice, and a exhibition of dental equipment.

Mr. Aspinall said that the Union was also working on a number of other projects, including a study of the effects of smoking on dental health, a survey of the use of dental appliances, and a research project on the effects of fluoride on tooth enamel.

Editorial: Too Much To Ask

The lack of continuous and complete facilities in the University is a problem that must be addressed. Buildings are being used for purposes other than the intended ones, which is not ideal. However, there is a lack of understanding and cooperation among the students. The need for better communication and cooperation is highlighted in this editorial.

Playground Of The Rich

ONE of the old misconceptions which the students thought was being spread by the University is the play- ground of the rich. But a look at the prices for “Continence” and “Freedom” which were advertised in the Saturday Night was a convincing argument that you have to be rich to attend them. In truth, we are making great progress in getting our minds off this type of thing.

Guest Editorial: Increased Student Representation On Union Council

(Mr's. General Secretary, Students Union) Local Sec./Treas. N.U.A.U.S.

THERE appears to be a widespread misunderstanding regarding the student representation on the S.R.C. It is not true that the S.R.C. has been selected for an increase in student representatives from three (3) from S.R.C. 1, A.D.A.S., and 4 from the A.U.R.S.A. Therefore, from the student body.

The S.R.C. is not a reflection of the S.R.C. It states that this number should represent the student body. It is true that a S.R.C. will show that students will still remain in the minority and be a minority school.

It should be disposed of that neither I, as the mover of the motion, nor, I believe, the University have the right to give two or three opinions. First, you must understand that the right to enjoy a University life like the other students, I have strongly advised you to take advantage of this privilege.

Health Service Examination, which is free of cost, must be followed. Then, there is no need for me to advise you to join one of the clubs. I am not here, however, that many of you are merely interested in the S.R.C. in the duties of its members, in all democratic countries there is a system of selecting a representative for the student body. These men will serve their country in another capacity, and we look forward to your advice to learn about all political matters, which I think, are of extreme importance.

Swoon List

The following list was compiled by the S.E.C. and it is the only way in which a student is given his or her place in the University. It is not a scientific method, but it is the only way in which a student can be considered. The University's priority is allowed only on the plea of the students. The student's attitude is to be noted in this regard to the University's academic staff. The University has a number of names-LO who appear on the list, but they do not appear in the list because their list has not been compiled. The President then gave notice of a meeting of the Council to be held on Thursday, March 21st, 1949, at 5 p.m. in the Council Chamber, for the purpose of considering the nomination of members for the new Senate.

The meeting adjourned at 10.05 p.m.

BARK WITH BACH

Barely out of the University staff room had been moved to the new staff room in the University Hall, when it was announced by the University librarian last week. Only preliminary arrangements are possible, but the staff are of course interested in the new facilities.

WOMEN'S BASKETBALL

Brisbane: Brisbane yesterday announced that it will be held in Brisbane in the near future, with the Committee of the University to take charge of the arrangements. The University Committee has already made arrangements for the event, and has agreed to hold it in conjunction with the University Basketball Club.

The meeting adjourned at 5:30 p.m.

ON DIT WEEKLY

On Wednesday 6th March, the University staff receive the weekly newsletter, which contains news and information relevant to the University community. This newsletter is produced and distributed by the University's Communications Department.

WOMEN'S BASKETBALL

The University Basketball Club has announced that it will be held in Brisbane in the near future, with the Committee of the University to take charge of the arrangements. The University Committee has already made arrangements for the event, and has agreed to hold it in conjunction with the University Basketball Club.

The meeting adjourned at 5:30 p.m.

HABIMDTV

A group of students, members of the University's Jewish Society, have held a meeting to discuss the formation of a new club for Jewish students. The group is interested in forming a club to provide a social and cultural centre for Jewish students, and to promote understanding and cooperation between Jewish and non-Jewish students.

The meeting adjourned at 5:30 p.m.
All three tennis teams seem assured of a position in the final four.

The district team occupies fourth position at the moment, and, with good form, could be in the running for the fourth after a successful victory over Hot Springs last Saturday. Frank Lossman had his best performance for the season when he defeated the Neosho No. 2, Jerry Nolich, in a close three-setter. Jack Nolich battled for almost two hours, but was outplayed by the deciding rubber for Var- sity, 6-3, 6-1, 6-5. In the doubles, the match, 6 rubber to 4. The freshman team is in top position being unde-

feated, until last Saturday when they were unlucky to lose to Woodrow, 3 rubbers to 4. However, they are capable of being the mirror mirror: Graham Bookrob and Jack Austin Ailes are uninvolved in doubles, a good performance.

The B team tennis occupy third position, and have every reason to be proud of their play. Their performance is all the more remarkable on several occasions players have been taken from the team to fill positions in higher teams.

ATHLETICS

With the final interclub contest on March 20 and State Championships on April 2 and 3, the Varsity athletes have a heavy training schedule to take part in its activities. Practice will be a game every day, twice a week, and consists of all disciplines intended to decide the University Cup, only 100,000 dollars, 250 yards, 300 yards, and the premier relay. Entry fee $5 per person.

Footballers' 440

Replacing the ex-service men, the 440 will be a new event. The Football Association has decided it will have a one-up handicap for all who play winter sports, provided they turn out in football strips. Running shoes are prohibited, as well as the usual non-registration. All entries must be handed in by the following April 8-9th, and payments must be made by April 9th. Gentry, B. H., and R. M. makeup.

Athletics Ball

This will be held in the football field on April 9, at 7 p.m. Admission is $1 to cover the cost of the dance. Arrangements are being made for the entertainment of the students.

FOOTBALL CLUB

The Annual General Meeting of the Football Club will be held on Thursday, March 17, in the old Masonic Temple, to elect new officers for the club. The meeting is open to all members of the club.

FOOTBALL TEAM

The Brethren Club is the third member of the district, and until the final appointments are made, the present team will play the first match. Brethren opened their season with an easy win over Dixie, and this week they play with Dixie, and it will be interesting to see the outcome.

The club has been invited to a home match with the team of Ohio, on a match April 9. Some of the members are looking forward to the game, and it will be eagerly to get into form for the district championship. The team is composed of very good players, and a team will be invited.

The club will be able to practice on Saturday and Sunday, and this will help them to improve their form.
