The Melbourne University Commission.

The Hon. T. F. Reid, M.L.C., president of the Commission, appointed by the Government of Victoria to inquire into the working of the Melbourne University, arrived in Adelaide by the express train to conduct this most important inquiry, as a member of the Commission (see The Argus, Oct. 26). Mr. T. F. Reid and Dr. H. Barry (secretary). These gentlemen are already in Adelaide where the Commission has taken a large amount of evidence. The Hon. T. F. Reid visited the Sydney University, and made himself acquainted with the methods of the London University, they proposing to inquire into the Sydney system for their purposes. The committee has been well received at the University, and to gain материал (material) respect has been paid to the work of the Melbourne University, which will be devoted to the arrangements in connection with the Commission, and when the inquiries are completed the Commission will make a report in respect to the future working of the Melbourne University.
