THE WESTERN AUSTRALIAN LOAN.

A SUCCESSFUL OPERATION.

Perth, May 14.

For the £6 per cent. Australian Government loan recently received amounting to £6,000, 000, which was offered at 93, we have no doubt the success of the operation is due to the enterprise and ingenuity of those responsible for its management. The result is a great encouragement to all parties concerned, and should serve as a model for future operations of a similar nature. In fact, the manner in which the loan was managed shows a high degree of skill and knowledge of the market, and should serve as a lesson to all who are engaged in similar enterprises.

WESTERN AUSTRALIAN LOAN.

Reg. 16th May, 1903.
