THE MUSICAL EXAMINATIONS.

The following is a copy of the report of the Board of Musical Examinations for the year 1898, and is addressed to the President of the University, and is referred by the council to the committee of the council.

The board have carefully considered the reports of each of the examiners with respect to the candidates for the various grades, and are satisfied that the examiners have performed their duties in a satisfactory manner. They have been satisfied that every candidate has been judged fairly and impartially, and that none of the regulations have been violated. The board have also considered the report of the board of examiners.

The board regard as quite indispensable the establishment of a system of examinations for the several grades, in order to ascertain the quality of the candidates for the various positions. They have therefore recommended, with the utmost confidence, the adoption of the report of the board.

The board also recommend the adoption of the report of the board of examiners, as it contains valuable information on the subject of examination, and is calculated to promote the interests of the candidates for the various grades.
