[PAPERS ON ALKALOIDS OF THE AUSTRALIAN  
RUTACEAE]

by

James Robert Price

[Doctor of Science (D.Sc.)  
1953]

**Please note:** These pages created as the doctorate lacks a title page and table of contents

## TABLE OF CONTENTS

### **Alkaloids of the Australian Rutaceae: *Melicope farenana***

- I. Isolation of the constituent alkaloids
- II. Preliminary examination of melicopine, melicopidine, and melicopicine
- IV. Some reactions of 1-Methyl-4-Quinolone-3-carboxylic acid, a degradation product of the alkaloids
- V. The structure of the alkaloids

### **Alkaloids of the Australian Rutaceae: the structure and reactions of acronycidine**

### **Alkaloids of the Australian Rutaceae: *Pentaceras australis* Hook. F.**

- I. Isolation of the alkaloids and identification of canthin-6-one
- II. Identification of 5-methoxycanthinone
- III. Identification of 4-methylthiocanthin-6-one

### **Alkaloids of the Australian Rutaceae: *Acronychia baueri* Schott**

- IV. Alkaloids present in the leaves

### **Alkaloids of the Australian Rutaceae: *Medicosma cunninghamii* Hook F.**

### **Alkaloids of the Australian Rutaceae: *Glycosmis pentaphylla* (Rets.) Correa**

### **The alkaloids of *Gyrocarpus americanus* Jacq.**

### **The chemical constituents of Australian *Flindersia* species**

- IV. The constituents of *Flindersia bourjotiana* F. Muell

### **The yellow colouring matter of *Dahlia variabilis***

### **Dunnione. Part II**

### **A survey of anthocyanins**

- VII. The natural selection of flower colour

### **The genetics of *Verbena***

- II. Chemistry of the flower colour variations
