CABLEGRAMS FROM EXPLORERS AND SCIENTISTS.

Dr. Mawson has received a large number of congratulatory cablegrams, telegrams, and letters from his friends in Australia, congratulating him on the safe return of his party and on the success of their expedition. Dr. Mawson and his companions are now preparing for their journey home.

The Lieutenant-Governor of South Australia and the Chancellor of the Adelaide University (Sir Samuel Way) telegraphed, "Heartfelt congratulations to Dr. Mawson. We are grateful that you and your brave companions are safe and well after your perilous adventures." The Governor of Western Australia, Sir H. Barrow, also congratulated Dr. Mawson on his return.

The Royal Geographical Society of London congratulated Dr. Mawson on the safe return of his party.

The Governor of the South Pole, the celebrated Norwegian, Captain Roald Amundsen, congratulated Dr. Mawson on his return.

The President of the Australian Antarctic Expedition, Sir Hubert Wilkins, congratulated Dr. Mawson on his return.

Dr. Hugh Robert Mill, the well-known authority on Antarctic geography, sent the following congratulatory message: "Dr. Mawson, congratulations on your magnificent achievement."

The Vice-Chancellor of the University of Melbourne, Dr. John Orme, congratulated Dr. Mawson on his return.

Dr. Mawson, the great explorer, has returned to Australia after a successful expedition to Antarctica. His return was a great occasion, and the people of Australia were delighted to hear of his safe return.

The expedition was a great success, and Dr. Mawson and his companions were received with great enthusiasm. The expedition was a great contribution to the knowledge of Antarctica, and the people of Australia were proud of their countryman's achievement.
