CHORAL AND ORCHESTRA CONCERT.

The Eldery Hall was taxed beyond its limit by the Schulman’s Choral and Orchestra Concert. The University’s Choral and Orchestra concert, under Mr. Frederick Bevan, gave the benefit of the program. The chorus was divided into three parts: Miss Gertrude Wood, Miss Mary Malloy, and Mr. Frederick Bevan. The orchestra was made up of the University’s Orchestra, under Mr. Arthur E. Benson. The concert was attended by a large audience, and was a great success. The audience was delighted with the concert, and gave a hearty applause at the conclusion of each number.

THE EXHIBITION GROUNDS.

WHO IS TO HAVE THEM?

Mr. Smeaton, in the House of Assembly on Wednesday, said the Premier had not considered the question of the exhibition grounds. He thought the Department of Agriculture would probably be devoted to an extension of the University grounds. He thought the Premier would come to regard the question of the exhibition grounds as important.

The Premier (Hon. H. H. Peake) replied that the question had been discussed in Council, and that the University grounds would be considered. He said that many criticisms were made on the ground that any exhibition could not be held in the University grounds. He thought the question was one that would be considered.

Mr. Smeaton—Does that reply include Government House?

Mr. Peake—Yes, I think so. The Government House has been considered as a possible site for the exhibition grounds. It is a very large site, and it is possible that the exhibition could be held there.

GOVERNMENT HOUSE.

"Is it the intention of the Government to remove the Government House to the University grounds?" asked Mr. Smeaton. The Premier replied that the Government House was a very convenient location for the exhibition grounds.

UNIVERSITY RESIDENTIAL.

The Hon. F. S. Wallis asked whether the University had made any arrangements for the removal of the Government House to the University grounds. The Premier replied that the Government House was not likely to be removed to the University grounds.

The Chief Secretary (Hon. J. G. Rice) said that the University had not yet been brought under the notice of the Government.
