MONTEFIORE IN MOURNING.

Montefiore is in mourning. And the whole of London is grieved at the passing of the generous lady who, for 16 years, was the joy and solace of the poor at the Royal Victoria Place. She was not only a benefactress, but a philanthropist, and her name is associated with many good works. In the last few months, she has been seen frequently in London, but she always managed to keep her work out of the public eye. Her death has caused much sorrow, and the whole of London is in mourning.

The late Lady Way.

There were sorrow and tears in the hearts of those who knew her. She was a woman of great kindness, and her death has caused much grief. She was a great support to many, and her loss will be greatly felt. She leaves behind her a large family and many friends.
