NEW AGAIN I MIGHT REMARK ON THE WINDS WHICH HAVE CAUSED THE AMERICANS TO ADRY THE FARMERS, IT IS THE AREA WHICH IS TO BE RECONSIDERED IN THE FUTURE.

Two Great Surgeons

Two great surgeons from all parts of the world were present in the conference. These were Dr. W. P. S. and Dr. S. W. B., both of whom have been known in the medical field for many years.

Other Experiences

In closing, we must not forget the experiences we have had in the Far East. We have visited some of the most interesting places, such as the city of Peking, where we saw the great wall, and the city of Shanghai, where we were able to see the famous Bund.

The Far East

"The return journey," said the professor, "was a long and eventful one. We traveled through some of the most picturesque countries, such as the Mediterranean countries, where we saw the beautiful beaches of Italy and the ancient city of Athens.
