THE GOVERNMENT GEOLOGIST.

TWO IMPORTANT APPOINTMENTS.

The Executive Council yesterday morning appointed Mr. L. K. Ward, B.A., B.E., to the office of Government Geologist, to succeed Mr. Y. L. Brown, who has resigned.

Mr. Robert Lee, of the Commonwealth Scientific and Industrial Research Organization, was appointed to the position of Assistant Government Geologist.

The Government Geologist, Mr. Jack, is a member of the hôi and has been a member of the Committee of the Geological Society of Australia for many years.

Mr. Ward has been associated with the Geologist for some time and has served in various capacities, including as a geologist in the Department of Mines and as a geologist in the Department of Agriculture.

The University of Adelaide, Faculty of Law.

The results in the subjects will be published later. The question of whether to award first, second, or third class to the student who obtained the highest mark will be decided by a committee of three members.

First Class—None.

Second Class—None.

Third Class—None.

THE EDUCATION COMMISSION.

Mr. T. Ryan, M.P., chairman of the Education Commission, stated on Tuesday that the Commission had received a report from the University of Sydney, which was the University of New South Wales Council. The report was signed by the Vice-Chancellor, Dr. J. F. Logan, and the President of the University, Mr. E. L. Brown.

The University of New South Wales Council was dissolved last year, and the University of Sydney Council was re-elected. The University of Sydney Council has a larger membership than the University of New South Wales Council.
