OFF TO THE FRONT.

PARTY OF ADELAIDE DOCTORS.

Adelaide, in common with the other cities of Australia, is contributing a big contingent of doctors to carry on the large business at the Front. The announcement from Adelaide doctors will leave by the R.M.S. Moontan. They are members of the staff of the 3rd Australian Hospital.

The staff of the Third Hospital will include the inclusion of Drs. A. M. Cudmore, R. H. Russell, and L. J. C. de Cresigny, together there will be 35 medical officers, including specialists in all departments, besides over 100 orderly and other attendants, under the charge of Mr. H. J. Mayne. The hospital will be made for 1,000 patients, and will be equipped to continue really as a general hospital. Drs. de Cresigny and Cudmore will each have the rank of surgeon-major, and will act as surgeon-major and commanding officer, respectively.

The hospital will be equipped in England. Two other medical men (Drs. Cudmore and Russell) have volunteered to go to Egypt, and will later come through the South of Australia to the hospital, which has already been located. They have gained considerable experience by the arrival of a medical staff to the hospital in Egypt.

The hospital will be equipped in England. Two other medical men (Drs. Cudmore and Russell) have volunteered to go to Egypt, and will later come through the South of Australia to the hospital, which has already been located. They have gained considerable experience by the arrival of a medical staff to the hospital in Egypt.

Biographical reference was made to Dr. Cudmore in The Advertiser yesterday.

Dr. C. T. C. de Cresigny attained high reputations when medical superintendent of the 3rd Australian Hospital, in England, prior to the outbreak of the war, and has since become more widely known. He is a son of Mr. P. de Cresigny, of the law firm, Melbourne, and was born at Queenscliff, Victoria, Melbourne, and was born at Melbourne University and took the medical degree of the same University in 1894, having completed his residence at the Melbourne Hospital, and later was on the staff of the hospital in London.

Mr. H. Russell is a son of Mr. A. Russell, well known in the southern suburbs, and was educated at Prince Alfred College, Adelaide. In 1914, he entered the medical college of the University of Adelaide and honorary attendant to the hospital.
Dr. Lancelet A. Hayward is a son of Dr. W. T. Hayward, who, it was inadvertently stated yesterday, was included among the four. Dr. Lance Hayward is one of last year's graduates at the University of Adelaide. He was educated at St. Peter's College, where he became head prefect and a lieutenant of the college cadets. At college and at the University, where he matriculated after leaving St. Peter's College, he proved himself to be a studious and a most popular and clever sportsman. He was vice-captain of the University Football Club.

Dr. E. A. H. Russell.

Dr. de Crempigny.
Miss Nellie Stephen has resigned her position as assistant nurse in the Botanic Garden, and has been accepted as assistant in the Botanic Garden, under the direction of Mr. Osborn. She has been working at the Botanic Garden for the last two years, and has been very successful in her work. She is a native of South Australia.

The Elder Conservatorium have leased the lot of ground on the corner of James and Mary Streets, for the purpose of erecting nine cottages, four of which will be used for the present season. There will also be a chamber music concert in June, and an orchestral concert in August.

Mr. Herbert Anne Parson age will celebrate the fortieth anniversary of his birth on August 1st, and his son will celebrate his twenty-fifth birthday on the same day. Mr. Parson has been a member of the Faculty of Law at the University of Adelaide for many years, and has been a leading lawyer in the State. He has, in addition to his legal work, been a member of the Board of Directors of the Adelaide Botanic Garden.

Mr. Osborn has taken the decision to give up his work in the Botanic Garden, due to ill health.

Mr. Osborn has been a member of the Botanic Garden for many years, and has been working there for the last five years. He is a native of South Australia, and has been working in the Botanic Garden for the last five years.
