HE GOSPEL OF HAPPINESS

Health, Homes, and Education

As an authority on sociology in relation to industrial affairs, Mr. Gerald Mummery, industrial adviser to the Broken Hill Smelters Proprietary Limited, has a few words to say on this subject. He has this to say:

"The Gospel of Happiness" implies a gospel that is purely a gospel of happiness. It is the gospel of the individual happiness, and not the gospel of the collective happiness. It is the gospel of the individual happiness, and not the gospel of the collective happiness. It is the gospel of the individual happiness, and not the gospel of the collective happiness.
