PEOPLE'S UNIVERSITY

ELDER CONSERVATORY

A DELIGHTFUL RECITAL

Mr. and Mrs. J. M. Chilvers of the University, with Mrs. Chilvers giving a charming piano recital in the music room of the Conservatory, on Monday evening, the music was so delightful that it filled the room with music. The audience was composed of many of the members of the Conservatory, including the principal, who had just arrived from London, and many other friends of the institution. The program consisted of a variety of pieces, including some by Beethoven and Mendelssohn, which were received with much applause. The recital was followed by a concert of piano music, which was also very well received. The audience left the room with a feeling of satisfaction and appreciation of the excellent work done by the Conservatory.
