JUNIOR PUBLIC EXAMINATION, 1920.

HONOUR LISTS.

The following lists show the names of candidates who have distinguished themselves in the separate subjects. Under each subject there may be two lists; (i) the names of those who are under age, arranged in order of merit; (ii.) the names of those who are under age, arranged in alphabetical order. Where subjects are common to both junior public and junior commercial examinations, the numbers indicate the position of junior public candidates after combining the results of the two examinations. The names of the junior commercial candidates are shown in the honour lists of that examination. Candidates who are classified as under age were under 16 years of age on December 31.
