UNIVERSITIES' CONGRESS.

PHILOLOGICAL DEGREE REJECTED.

SYDNEY, May 27.

At today's sitting of the Intercollegiate Universities Congress it was unanimously recommended that a standing advisory committee on language be established, and that the secretary of the congress should be authorized to arrange for the consideration of a proposal for the establishment of a chair of language in the University of Sydney.

The Congress, in its report, also recommended that the universities should continue to provide the present annual subscription to the Universities Board of the British Empire.

THE UNIVERSITIES.

CONFERENCE CONCLUDED.

SYDNEY, May 28.

The universities' conference concluded its business today. It adopted a resolution in support of the resolution of the Royal Society of South Australia, which was adopted by the conference last year, and which calls for the establishment of a system of intercollegiate universities. A proposal for a federation of the universities was also considered, but it was decided to refer the matter to the conference next year.

The conference also discussed the question of the establishment of a university in Western Australia, and it was agreed that the matter should be referred to the universities' conference in the next session.
