ELDER CONSERVATORY.

FIGHTING MALARIA.

AUSTRALIAN DOCTOR IN AMERICA.

NEW YORK, May 29.

A Dr. A. C. Line, a leading medical authority, has arrived from Liverpool for the purpose of lecturing in the United States in order to study the methods of the late Dr. C. G. E. Line, and other medical men in the treatment of tropical diseases. He will then go to New York to lecture at the College of Physicians and Surgeons.

TROPICAL MEDICINE.

DR. CILESTO'S APPOINTMENT.

Dr. Cilesto will be medical officer of the Adelaide University, in the matter of the new policy in the matter of tropical medicine. He has been appointed to the post of medical officer of the University, and will take up his duties on July 1.

INTER UNIVERSITY SPORTS.

The council of the University on Monday decided to join in the Inter University Sports competition. The council's decision was based on the information received from the council of the University of Melbourne, which had decided to join the Inter University Sports competition. The council of the University of Melbourne, in its decision, stated that it was the policy of the council to promote the interest of the University in all matters pertaining to the University, and that it was the duty of the council to protect the interests of the University in all matters pertaining to the University.
