DEATH OF MR. M. M. MAUGHAN

General regret will be caused by the death on Saturday evening of Mr. Milford Moses Maughan, B.A., for six years prior to August, 1921, who was Director of Education in South Australia. He was 60 years of age at the time of his death, and had been in the Education Department for 41 years, and had risen to the top of the service. He was widely known and highly respected in the education world, and it can be said that he possessed the qualities essential for the high office he held until his death, owing to his high standing among his colleagues, and the general esteem in which he was held. It is a matter for deep regret that such a distinguished educational figure should have passed away.

Mr. Maughan was born in State, and received his early education in the State's schools. He was appointed to the position of Acting Director of Education in 1913, and in 1919 he was appointed to the position of Director of Education. He was a Past Master of the Masonic Lodge, and a member of the Freemasons' Benevolent Fund. He was a Past Master of the Masonic Lodge, and a member of the Freemasons' Benevolent Fund.
