Dr. H. Heaton Describes W.E.A.

Dr. Heaton describes the W.E.A. (Women's Educational Association) and its role in the education of women. He mentions the importance of education for women and the need for them to be able to participate in the intellectual and cultural life of their society. The W.E.A. offers courses in various subjects, including music, art, and literature, and provides a platform for women to learn and engage in intellectual discussions. The article highlights the significance of the W.E.A. in empowering women and fostering their participation in intellectual pursuits.
