Results of Federal Land Tax.

The absence owner.

The Federal land tax has been collected, and the result has been interesting. The alleged owner of the land, who was paid the tax, has been discovered to be an absentee owner. The tax has been paid to the Treasury, and the Treasury has been informed of the tax. The Treasury has been informed of the tax by the Collector of Customs, who has been informed of the tax by the Commissioner of Customs, who has been informed of the tax by the Collector of Customs, who has been informed of the tax by the Commissioner of Customs, who has been informed of the tax by the Collector of Customs.
