FORESTRY CONTROL IN CHARGE

New Conservator in Charge.

The announcement made to the House of Assembly last October that Mr. Edward Julius, of Tasmania, had been appointed to the position of Conservator of Forests in this State, is proving to be a matter of real gratification to all who have the welfare of the State at heart. This is particularly true of those who have been associated with the work of forestry in this country for many years. Mr. Julius is a man of great experience and ability, and it is to be hoped that he will be able to make a real contribution to the development of the forestry movement in this State.

Mr. Julius is a native of the United States, and has been associated with forestry work in many parts of the world. He is a man of great energy and determination, and it is to be hoped that he will be able to make a real contribution to the development of the forestry movement in this State.
