ELDER CONSERVATORIUM.

MR. CLIVE CAREY'S RECITAL.

Among the most prominent German conductors of recent years is Mr. Clive Carey, who was in the city last Wednesday evening. The programme was a very interesting one and included many of Mr. Carey's own compositions. The concert was held in the concert hall of the Conservatorium, and the audience was very large. Mr. Carey was in fine form and gave a very creditable performance. The programme was as follows:

1. Introduction and Variations on a Theme by Beethoven.
2. Scherzo, Allegro non troppo.
3. Waltz, Andante cantabile.
4. Polonaise, Allegro vivace.
5. Rondo, Allegro vivace.
6. Romance, Andante

The concert was a great success and the audience gave Mr. Carey a hearty cheer. The programme was well chosen and the music was played with great skill and grace. Mr. Carey is a most promising young artist and it is to be hoped that he will continue to give concerts of this high standard in the city.
