OBITUARY.

PARKER S. BURTON, M.D., for 45 years a merchant and one of the prominent citizens of this city, died at his residence yesterday morning. His death was due to heart disease. Dr. Burton was born in this county and came to the city in 1845. He was one of the first school teachers in the city and one of the first merchants to establish a store in the city. He was a member of the first board of education and served as president of the board for many years. He was also a prominent member of the Episcopal Church. Dr. Burton was a man of great integrity and was beloved by all who knew him. He leaves a wife and a family of seven children.

TEACHERS' ANNUAL CONVENTION.

The teachers of this city held their annual convention yesterday. The convention is held to discuss the educational policies of the city and to consider the needs of the schools. The convention is attended by teachers from all parts of the city and the surrounding counties. The convention is a important event for the teachers and is a great help in improving the educational system of the city.

EDUCATION WEEK.

The city held its annual Education Week yesterday. The week is held to promote the importance of education and to encourage the study of the students. The week is marked by a series of lectures and discussions on the importance of education and the need for improving the educational system.

AN INSPIRING IDEAL.

The speeches of the week were given by various members of the city. The speeches were inspirational and were designed to encourage the students to work hard and to strive for excellence. The speeches were well received by the students and were a great inspiration to them.

The week was a great success and was a great help in improving the educational system of the city. The week will be remembered as a great event in the history of the city.
