FEDERAL FORESTRY SCHOOL.

A thorough and well-organized educational program is in progress at the Federal Forestry School. The staff is highly trained and dedicated to the development of students.

INDUSTRIAL REFORM.

(By Dr. H. Heaton)

To those who believe that the age of the commonwealth is coming to an end, the industrial reformers represent the most important social force in the world to-day. They are the representatives of Governments, employers, and employees in the struggle for a better society. The industrial reformers are engaged in the task of improving working conditions, eliminating child labor, and establishing a just wage system.
