WHY PROF. PHILLIPSON RESIGNED
ANSWERED NO QUESTIONS, BUT ISSUED A STATEMENT

Charges which were levied against Professor C. A. Phillipson were published in the Register last week. Professor Phillipson was accused of embezzlement, but he issued a statement denying the charges.

WANT NOT ANSWER QUESTIONS

"No, I will not answer your questions," said Phillipson. "I have no reason to believe that I have done anything wrong, and I have no intention of discussing the matter further."

WONDERFUL WORK

"But I have a number of other questions," said the reporter. "What do you think of the work you are doing?"

"I think it is wonderful," said Phillipson. "I am dedicated to the cause of the underprivileged, and I believe that I am making a valuable contribution to the community."

Return of Dr. R. F. Matters

After an absence of 20 years, Dr. R. F. Matters, a well-known surgeon, returned to his native town last week. Matters had been working in London for the past 20 years, but he has now decided to settle down and start his own practice.

A WILIGHT SLEEP OUT OF FAVOUR

Dr. Matters reported that the practice of light sleep is no longer fashionable. "People are now turning to deep sleep," he said. "It is more restful and can improve the body's ability to recover from the stresses of the day."
