UNIVERSITY DEGREES.

Successful South Australian Students.

A special congratulation was held at the Prince of Wales Lecture room University of Adelaide, on Wednesday afternoon, for degree holders. Dr. Adam, president of the University, and Mr. Robert, the President of the University, were present.

For Degree of Bachelor of Laws—High Pearson, Dunlop Lyon, B.A. (in abscissa), for Degree of Bachelor of Medicine—Michael Schneider, in Abson, Adelaide.

For Ordinary Degree of Bachelor of Science—Reynoldian, Frederick Lewis, Kenneth Harris, and (in abscissa) Maxwell Ernest, for Diploma in Applied Science—John Patrick, McAlpin, and Harold Royce, Bramble.

The candidates were presented by the Vice-Chancellor, Professor, William, Dean of the Faculty of Law, and Mr. W.F. Waite, Dean of the Faculty of Science. They were all introduced to the President, and were congratulated on their success.

TEACHERS' TRAINING COLLEGE.

TENDERS ACCEPTED FOR £28,995.

A training college for teachers is to be built on Kintore Avenue, at a cost of £28,995. The building will be equipped with music rooms, a large assembly hall, and other rooms necessary for the purposes of the college.

The Commission of Public Works (Ben, L. B. Hill) has accepted the tender of Messrs. C. H. Martin, Ltd., for the construction of the college. The tender was £28,995.

The university has also approved the demolition of the old buildings on the same site, which will be used for the new college.
