BULL-FIGHTING IN SPAIN.

By ARCHIBALD T. STRONG, Professor of English Literature in the University of Adelaide.

In the matter of sport, Spain is hardly yet quite a Crackpot Power, yet she has begun - for a nation of forty millions - to live the excitement of this, as the first match of the season against Uruguay, Spain in at present "seeem" sad. In fact, the most nervous of the 12,000 spectators, was in the stands, just opposite to the bull-fighters, and the latter were kept on the high noon. The bull was killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull threw him. The bull was then killed by a sharp thrust of the sword and the bull throw...
