MARKS LECTURESHIP.

Dr. C. Stanton Hicks, appointed.

Brilliant Academic Career.

The appointment of Dr. C. Stanton Hicks, W.N.S., to the Marks Lecture ship in Applied Physiology and the Sydney Medical School, has been announced by the council of the University of Sydney. He is a distinguished scholar in the field of medicine.

The new positions for which Dr. Hicks has been appointed, are made possible by the recent bequest endowed by Mr. and Mrs. Marks and the late Mr. Keith Shailer. It is expected that the lectures will commence at the beginning of June. A number of students were present at the ceremony.

WAITE RESEARCH INSTITUTE.

DONATIONS TOWARDS EQUIPMENT.

At the last meeting of the Council of the University, the Director of the Waite Research Institute, Dr. W. J. R. Ponds, proposed a vote of thanks to several valuable gifts of materials and apparatus that have been received at the Institute. Two of these gifts were received from the John Sherratt & Sons, Kilmore, and the Waite Research Institute, and the third from the University of Sydney. The gifts include a large set of microscopes, a microscope slide and a microscope slide holder, and a number of other valuable items.

Miss Maude Puddy, Mus. Be., South Australian Pianist.

Miss M. Puddy, Mus. Be., South Australian pianist, has been appointed to the University. Her recent performances have been in demand in various parts of the country, and she is a member of the Musical Society of South Australia. She is expected to be present at the University next term.

Mark Lectureship University Appointment.

Dr. Hicks Chosen.

Mr. C. G. Hicks, who is at present in the United States, has been appointed to the Mark Lectureship in Applied Physiology at the University of Sydney. The appointment was announced by the council of the University, and is the result of a competition among the students of the University. Dr. Hicks was chosen from a field of competitors, and is expected to commence his lectures in January next year.
