November in South Australia is the month of examinations, and for the past week above 17,000 pupils have been sitting in high school examinations. The degree and commercial examinations are all in a state of readiness, and the public can look forward to knowing the results of these high school examinations next Monday. The examination committee, which consists of 12 members, has been working hard for the past week to have everything ready for the examinations. The committee is composed of schoolmasters, college teachers, and other educational authorities. The examinations will be held in all the public schools of the state.
