COMMUNITY SINGING
Farewell to Dr. Heaton

Today was a red-letter day in the history of community singing in Adelaide. The world-famous singer, Dr. Heaton, after a singing tour of Australia and New Zealand, prepared to depart for Europe. His service and dedication to the community of Adelaide have been unparalleled. His departure marks a significant loss for Adelaide's musical scene.

There were several events planned to honor Dr. Heaton's contributions. A farewell concert was held at the city's grand hall, where thousands gathered to bid farewell. Dr. Heaton took the stage to deliver a heartfelt speech, acknowledging the support and love from the community. He assured the audience that his legacy would continue to inspire future generations.

The news of Dr. Heaton's departure has spread across the country, with newspapers and music platforms paying tribute to his contributions. His music has touched many lives, and his influence will continue to be felt. The community looks forward to his return and the promise of future performances.

ST. MARK'S COLLEGE
Fine Buildings Planned

The new buildings at St. Mark's College, located in North Adelaide, are a testament to the college's vision for the future. The addition of the new buildings will enhance the educational experience for the students, providing a more conducive environment for learning.

The buildings are being constructed to meet the needs of the growing student population, ensuring that the college remains at the forefront of education. The design of the buildings incorporates state-of-the-art facilities, including modern classrooms, a library, and a new athletic complex. The college's commitment to excellence is evident in the quality of the new buildings.

The completion of these buildings is a significant milestone for St. Mark's College, and the community looks forward to seeing the benefits they bring to the educational experience of the students.
