MEMORIAL TO THE LATE REV. W. K. FLETCHER.—A preliminary meeting convened by private circulators to consider the advisability of raising a public memorial to perpetuate the name of the late Rev. William Hubert Fletcher, M.A., was held in the Mayor's Reception room on Friday afternoon, June 10. There were present the Mayor of Adelaide (Mr. O. W. Wilkison), who presided, the Lieutenant-Governor, Sir Samuel Davenport, Sir F. E. Smith, the Rev. Joseph Roberts, Rev. N. A., F. W. Cox, and Dr. Jeffries, Alderman Bulk, Councillors T. H. Smethurst, Messrs. M. Burgess, V. T. Vernon, J. A. Charters, V. A. Harley, Vice-Chancellor of the University, H. Goodenough, J. E. Fishwicke, and A. Mackie, J. L. Broughton, W. E. Dalston, and J. Anderson and Miss Fairley Conwy of the University. Apologies were made for the absence of Sir Henry Ayres, Sir John Colen, Rev. D. Paton, and Messrs. J. H. Agius and Graves. It was resolved, after discussion, that an effort be made to raise not less than £250 to establish a scholarship in the University of Adelaide in memory of the late Rev. W. K. Fletcher; and it was also agreed that should any further amount be raised the balance be disposed of at the discretion of the committee. The gentlemen present appointed a committee, with power to add to their number, to carry out the objects of the movement. The Mayor was appointed Chairman of the committee, Councillors Smethurst and Mr. A. Mackie were appointed joint honorary secretaries, and Mr. G. H. Goode was appointed treasurer.

FRENCH LECTURES AT THE UNIVERSITY.—We have received from Mr. James Grant, a Lecturer at the University of Adelaide, a very neatly printed brochure containing a series of reports of the lectures delivered by him on Modern French, and the editorial comments of the Adelaide Daily News. The work, which is dedicated to the Chancellor of the University, His Honor the Chief Justice, will prove most useful to students of the literature of the belles lettres. Messrs. W. K. Fletcher are the printers, and Mr. A. H. Roberts, the publisher.

STUDENTS AND UNIVERSITY TEXT BOOKS TO THE EDITOR.
Sir,—It is only fair to the students of the Adelaide University that the authorities of that institution should be made acquainted with the fact that several of the text books prescribed for the first and second year examinations of the B.A. and higher public examination, 1893, are not procurable in the colonies. In Latin the Book of Tennyson, prescribed as "Greek and English literature selectors from "Specators," and Book I. of "The Faerie Queene" are not obtainable. The disadvantages to students are very real, and the students and their friends can only hope that some effort will be made to remedy the matter, if not on the present occasion, at least in future, by securing the firm of bookellers to supply students with text books. If nothing be done this year the result must be the ploughing of several students.
