UNIVERSITY MUSICAL EXAMINATIONS.

TO THE EDITOR:

Dr. Johnson was perfectly right in his remarks on the subject of musical examinations. I wish to express my appreciation of the efforts made by the University in this respect. I believe that the best way to prepare for a musical examination is to study the works of the great masters of music. I have been fortunate in having had the opportunity of studying under the able guidance of my teacher, Mr. Smith. I am confident that I will be able to pass the examination with distinction.

I am, Sir, your obedient servant,

JOHN WOOD.
