THE CRICKET ASSOCIATION.

A NEW SECRETARY.

Mr. W. N. Leason, who until three years ago was town clerk and surveyor of Geelong, has been appointed secretary of the Geelong Cricket Association. At one time he was a player of repute with the West Geelong club.

There were 60 players attending from South Australia and the eastern states for the selection of the team for the present season, which had been rendered vacant by the retirement of Mr. J. A. Riley. The secretary announced that Mr. W. N. Leason, of Parramatta, New South Wales, had been appointed to take up his duties on or before October 1.

At present he is a member of the Western Suburbs cricket club and is known as a first-class batsman.
