SIR GEORGE MURRAY

I believe the first South Australian born, to take title, to be appointed to the Supreme Court of South Australia, is Sir John Murray, who was appointed to the position in 1925. He was a member of the University Council for 30 years and has been associated with the University ever since its inception. He has been a member of the University Council for the last 30 years and has been closely associated with the academic and administrative affairs of the University. He is a true gentleman and a real friend to the University.

KINGS AND RECORDS

Sir Lancelot Stirling, K.C.M.G., holds the Australian record in having been (for a quarter of a century) President of the University Council. He has been President of the Council for 30 years and has been associated with the University ever since its inception. He has been a member of the University Council for the last 30 years and has been closely associated with the academic and administrative affairs of the University. He is a true gentleman and a real friend to the University.

CRESWELL SCHOLARSHIPS

The Creswell Scholarships are awarded to students who have shown exceptional ability and promise in the field of natural science. The scholarships are funded by the Creswell family and are administered by the University. The scholarships are open to all students, but are particularly aimed at students who are from disadvantaged backgrounds.

DISEASES FROM WOOD

Quite a number of complaints are being made by residents who have been suffering from the disease known as 'Diseases from Wood'. The disease is caused by the fungus Aspergillus flavus, which grows on decaying wood and produces a toxic substance called aflatoxin. The disease can be prevented by burying the wood in a manner that limits its exposure to the air and moisture.

THE CHANCELLOR

It is planned to erect a notice that will soon be erected on the University of South Australia campus to commemorate the 100th anniversary of the University's founding. The notice will be erected on the lawn at the front of the University and will be dedicated to the memory of those who have contributed to the University's success.

MAY 26 IN THE PUBLIC EYE

The Chancellor, Sir John Murray, will be the keynote speaker at the University's 100th anniversary celebration. He will speak on the history of the University and its contributions to the community.

ADULT EDUCATION

Classes Start in April

Examinations for city and country classes of the Women's Education Association were held on May 26th, and it is hoped that all will be successful.

The Rev. J. D. Norrie, R.F.A.

The Rev. J. D. Norrie, R.F.A., the incumbent of the Vicar of St. Peter's, will speak on the subject of 'The Messiah' at the evening service on May 26th. The service will be held in the church at Sydney, and all are invited to attend.

FIFTY YEARS AGO

From the Register, Monday, March 6th

The South is reported of Sir Richard Darrell, the first Englishman to explore the Australian continent, in his seventeenth year. We are told that he was a distinguished scholar, and that he was favored by the government of England and by Dr. King and the Duke of York, who were his protectors. He died in London in 1621.
