CROWD ATTEND SPEECH DAY.

In the Brockenham Hall of the School of Mines, on Tuesday, the Technical High School celebrated the annual speech day. Mr. G. B. Lecky, the Minister of Education, in an address to the students, said that the school was one of the best and most successful in the country. He congratulated the students on their achievements and urged them to continue their efforts.

The principal of the school, Mr. J. E. G. Edwards, in his address, said that the school had made great strides in recent years and that the students were well prepared for their future careers.

The students were presented with medals and prizes for their achievements in various subjects.

TECHNICAL HIGH SCHOOL.

Dr. A. E. Y. Richardson, Professor of Agriculture and head of the Waite Research Institute, will leave by the ships on December 23rd to obtain first-hand knowledge of farming work in agriculture in other schools, and its application to South Australia. The first country to visit will be South Africa, in which he will spend several weeks. He will then continue his voyage to England, and later will spend several weeks on the Continent of Europe. Dr. Richardson will also go to the United States and Japan.

TEACHING JOURNALISM.

A UNIVERSITY DIPLOMA.

SYDNEY, October 9.

The present demand for skilled journalists is likely to continue, according to Mr. J. E. G. Edwards, Principal of the Technical High School. He said that the school had been forced to increase its demand for journalism students.

The course is designed to prepare students for careers in journalism, with a focus on technical journalism.

THE FORESTRY SCHOOL.

PROFESSOR JOLLY IN THE WEST.

Professor W. D. Jolly, head of the Forestry School at the University of Adelaide, arrived in Perth on October 10th to complete arrangements for sending students to the central forestry school and to discuss the future of the school with the University of Western Australia. Professor Jolly said that the school had made satisfactory arrangements. Accompanied by the students, he will make an eight-day tour of the south-west region before the students' examination starts.
