KANGAROO ISLAND CAVERNS

At the last meeting of the Flinders Chautauqua Society it was reported that during the recent visit of Mr. and Mrs. J. B. Hill to Kangaroo Island, a very interesting visit was made to the cave of extinct animals and birds had been found in the cave. The discovery was made by a local resident and has attracted a great deal of attention. The cave is now open to the public and is well worth a visit.

FORCE FOR PEACE

LEAGUE OF NATIONS EULOGIZED

The League of Nations was eulogized at the recent meeting of the Flinders Chautauqua Society. It was stated that the League was a great step forward in the world's history and had brought about a great increase in the number of countries that were working together for peace and prosperity. The society expressed its hope that the League would continue to be successful in its work.

OUR NATIONAL HYMN

Stirring Chauvinist

Commed by Dr. Davies

The national hymn is an excellent idea, entirely fit for the occasion and in every way deserved.
