

3rd January 1935.

Dear Professor Balmukand,

Many thanks for your kind letter of December 6th. I am glad to be able to say that Mrs Fisher and the children are in good health and I hope that the same is true of your family and that your other affairs have been prospering.

I am glad to hear of the progress you report in your Grop Weather work, the importance of which will, I believe, be increasingly appreciated, and in the village enquiry, to the results of which I am looking forward with great interest.

I remain,

Yours sincerely,

Professor Balmukand,
Punjab Agricultural College,
Lyallpur,
India.
