

DICTIONARY OF NATIONAL BIOGRAPHY

From Mr. L. G. Wickham Legg

New College, Oxford

14 April 1945.

Dear Sir,

I have been asked to invite you to contribute a life of Dr. Karl Pearson for the D. N. B. (1931-40) & I very much hope you will find it possible to do so. The length suggested is 1600 words, and I should be glad if the copy could be in my hands by 31 December 1945. If however you should not be able to write the life, I should be very glad of a suggestion who should do it.

I enclose the notice to contributors issued by the Press for their guidance.

Yours very truly  
L. G. Wickham Legg

Dr. R. A. Fisher, F.R.S.
