19 January 1931.

T. Eden, Esq., M.Sc.,
Tea Research Institute of Ceylon,
St. Coombs,
Talawakelle,
Ceylon.

Dear Eden,

I have put in your two papers to the Director, and after some discussion he is inclined to recommend the inclusion of the tabulated data, on the grounds suggested in your final paragraph. I think it should go forward without further hitch, though of course the Journal of Agricultural Science is a slow medium for publication.

Yours sincerely,
