My dear Fisher,

Many thanks for me the J. Hear, mit S. Wright's review in it. I had not seen it and am much looking forward to reading it. It was most kind of you to think of sending it on time. I will return it to the Eugenics Soc. in a day or two.

I am glad you think the Malitaum paper of some interest. H. S. F. is my father. F. made
The hurried note but The Oxford term started yesterday and I am having a good run.

Yours very sincerely,

E. B. Ford
