18th March 1929.

Dr. R. A. Fisher, Sc.D.,
Rothamsted Experimental Station,
Harpenden, Herts.

Dear Fisher,

Many thanks for your letter of the 16th. In the first place please notice that we are giving you, as you asked, plenty of notice. In other words - will you please undertake the article at once?

Thank you too for your information about Pearl. I think as he is readable we must try him on our readers.

Yours sincerely,
