

27th, November, 1929.

C.L. Huskins, Esq.,
John Innes Horticultural Institution,
Mostyn Road,
Merton Park,
S.W. 19.

Dear Huskins,

If you can send me the paper before Friday I could probably look through it in time to discuss it with you at the Linnean. I forget if the Genetical Society is dining that night but in any case, if the meeting is late we could dine together to make time to talk it over.

Yours sincerely,

R. A. Fisher
