7th, March 1949.

Dear S.B. Wilson,

I am writing to report at last the safe arrival of the food parcel that you were so kind as to have sent.

Its contents are really magnificent. The large box of chocolates and the cake have been most especially appreciated. I do think it was kind of you to think of sending all these good things. They came just in time for us to start Lent with them.

Many thanks,

Yours sincerely,
