I think like all the articles in these Bundles, types—views thereof, one of which is to place to a special Commonwealth folder, I desire & have these articles typed & kept together, instead of being distributed in separate folders, as John Murray, My Publisher was preparing The publication of some of the myths & legends in a collection, & These newspaper articles were all destined for this purpose. I will be glad to lend my typewriter & The Works Dept. of any copy typist can transcribe. The printed material is the stuff Bundle. (There are six Bundles) I cannot see to type them.
